Esta e' uma mensagem automatica, por favor, nao responda a este e-mail.
PessoALL, bom dia !
  
```

```

__| Inscricoes abertas para o maior evento Java do ano em Brasilia |__
Se voce nao vai a Sao Paulo para o Sun Tech Days, nos dias 11 e 12 de Abril,
voce podera participar do evento aqui em Brasilia no dia 11, e assistir de graca
as novidades que a plataforma Java tem para o SEU futuro.
  
```

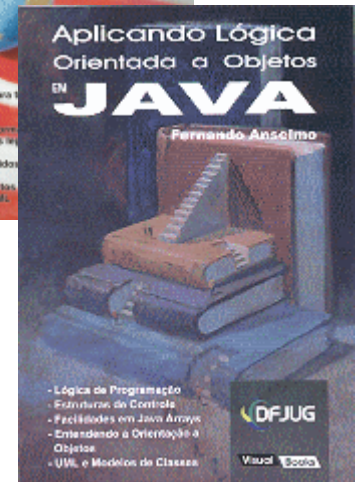

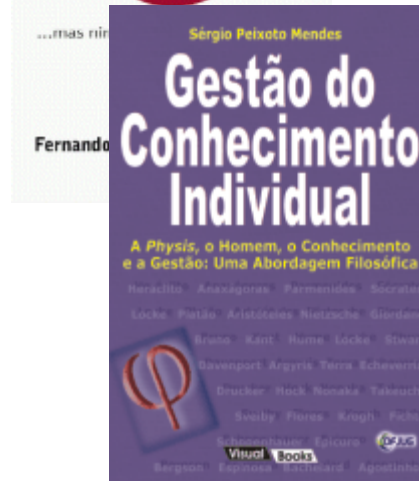

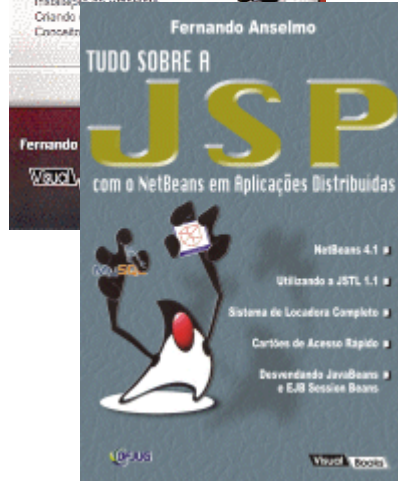

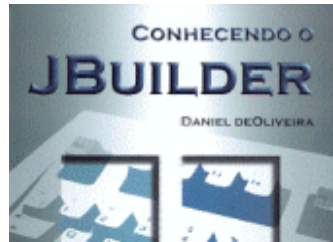

5. Java Training

- At now consists 17 courses in the catalog, from Logics to JSF, from a Course in Speaking to APF, all at popular prices.
- Additional courses in exchange for food for underprivileged
- In 2005:
 - > 12 courses
 - > More than 7.000 training hours
 - > More than 200 students

6. DFJUG Books

- Three new books were published in 2005 under DFJUG stamp, increasing to eight the number of technical books authored by members of our group

7. Social Responsibility

- 200 underprivileged children and adolescents and in situations of personal risk.

11. Other

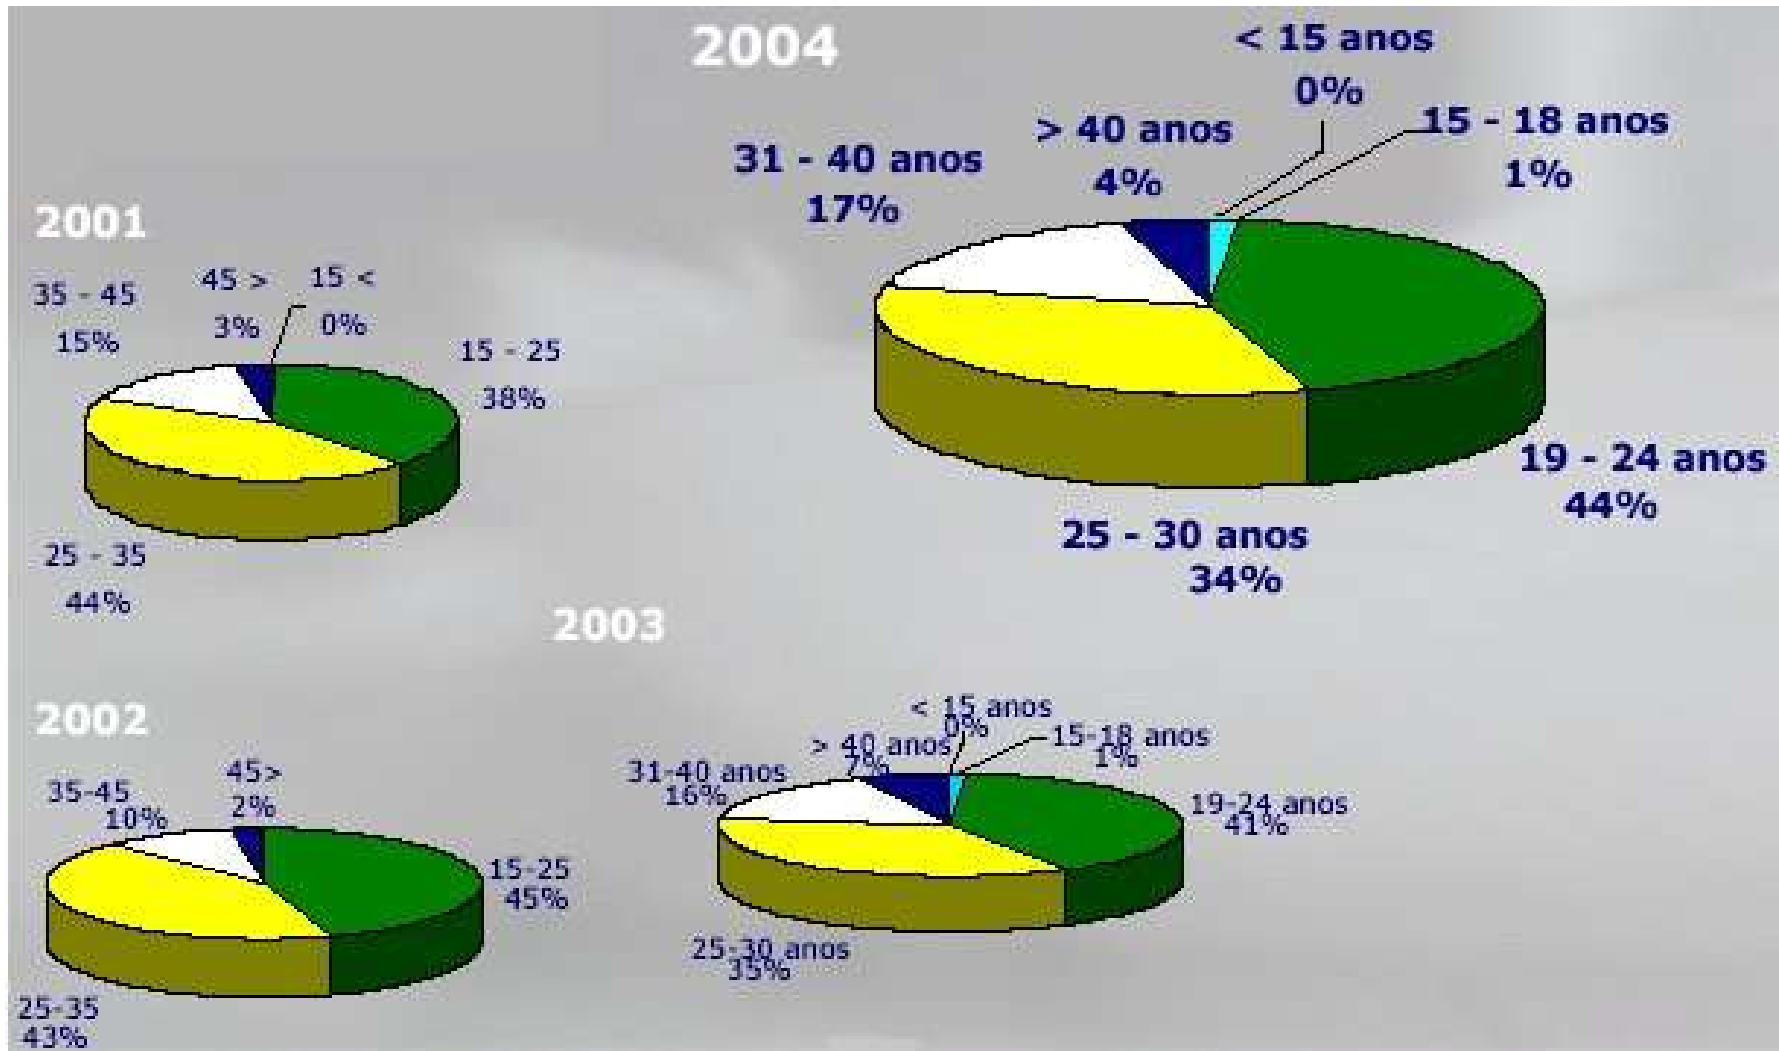

- **Java National Research**
- **Java Forum**
- **Rybená**
- **Monthly and Annual events**
- **Partners and Collaborators**

Java National Research

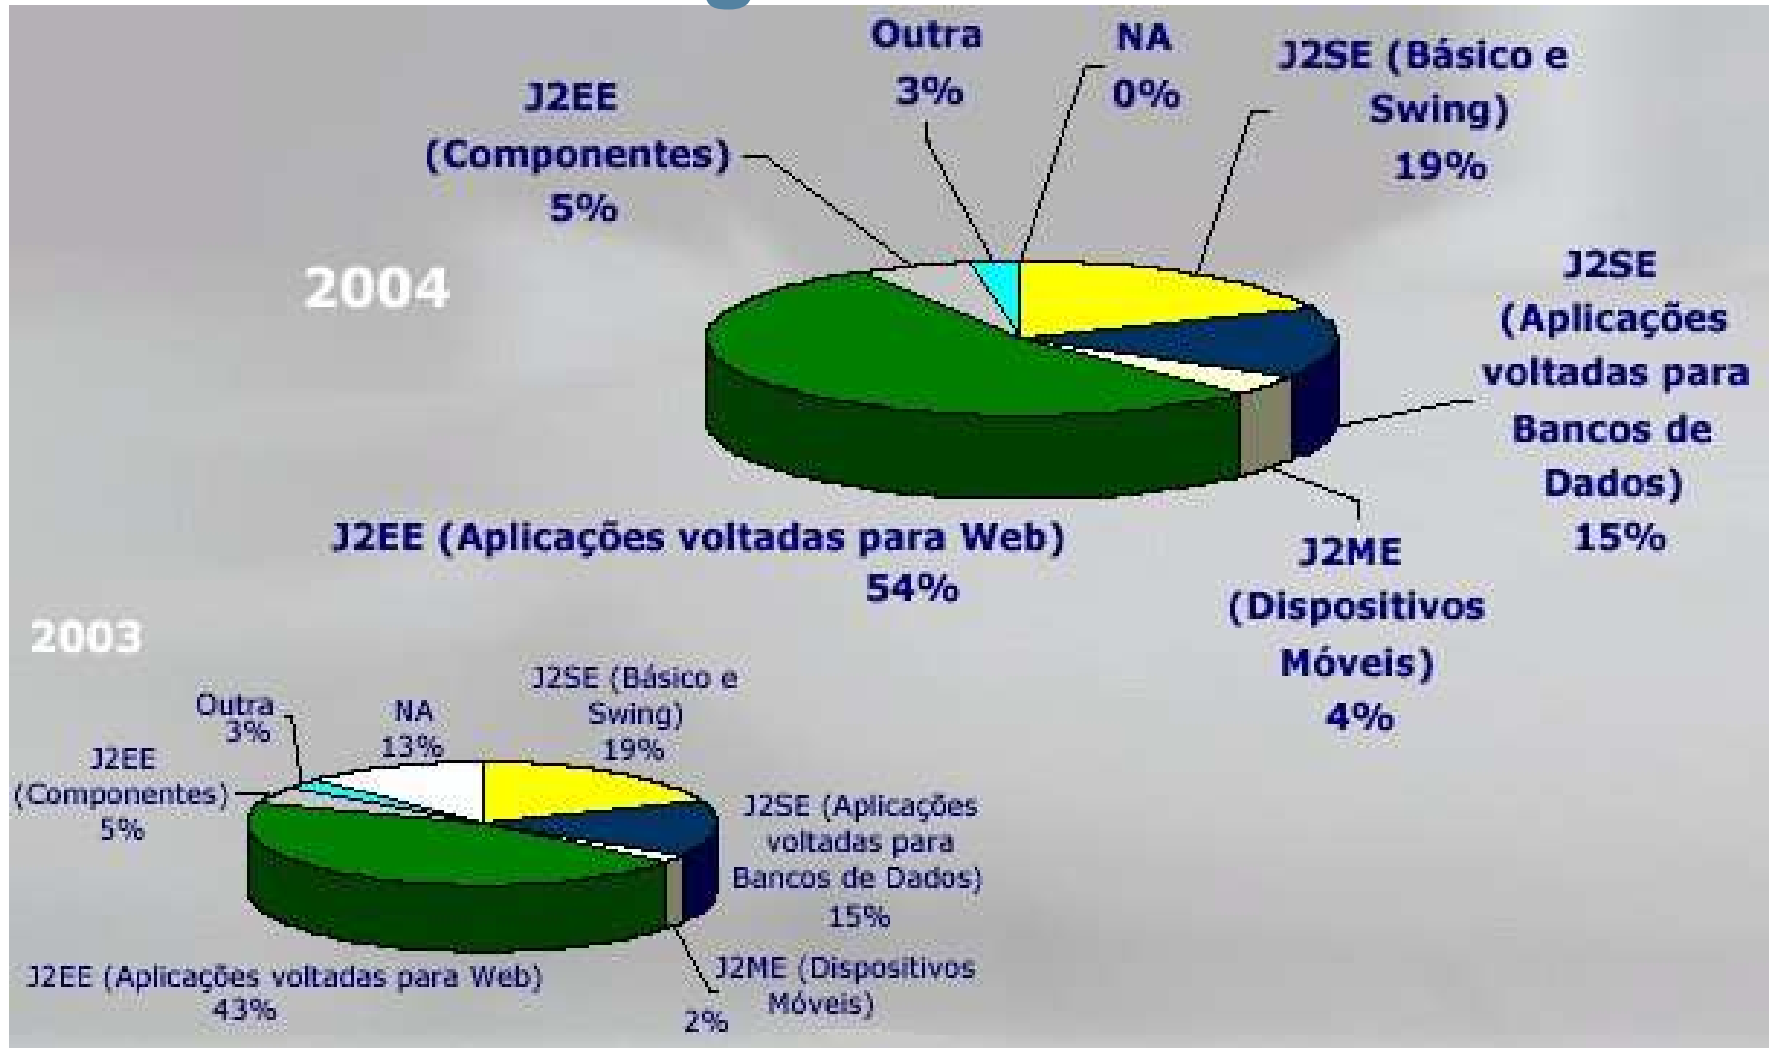

- What is the age of the Java developer ?
- What area these Java developers is applying his technical knowledge ?
- What IDE he uses ?
- How many have received certification ?
- What is the developers gender ?

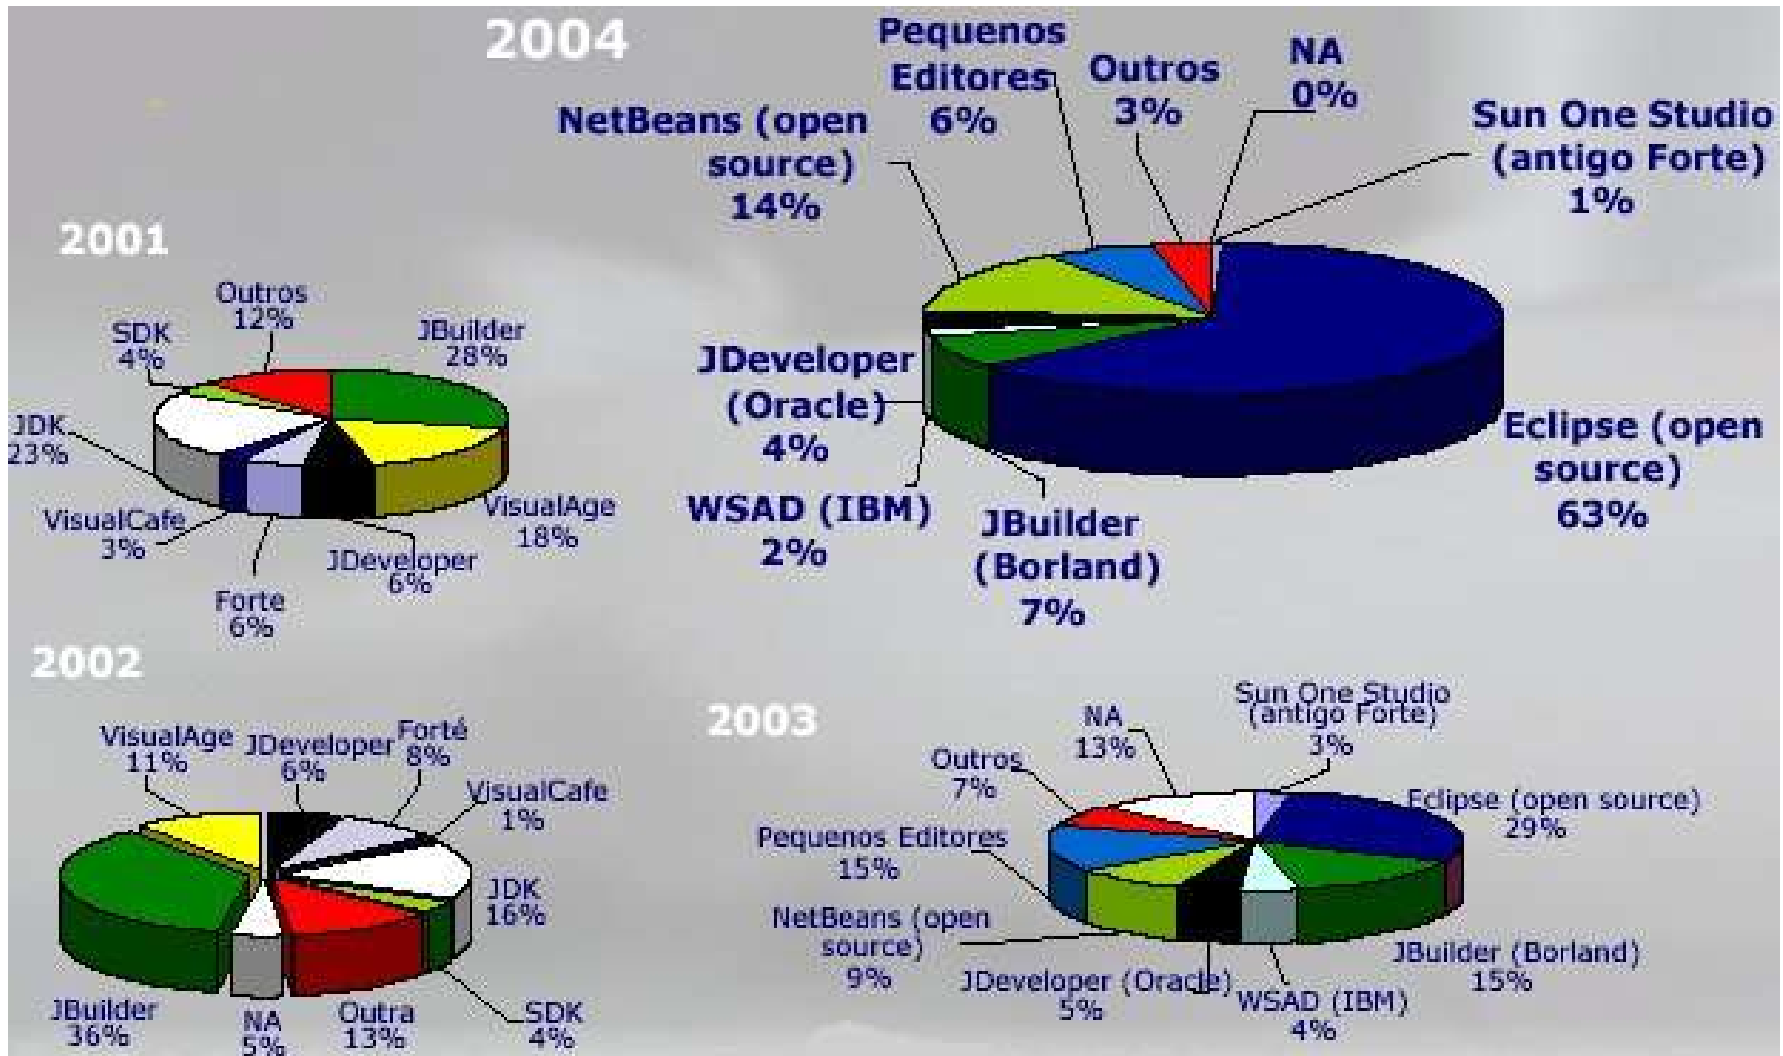

What is the age of the Java developer ?

What area these Java developers is applying his technical knowledge ?

What IDE he uses ?

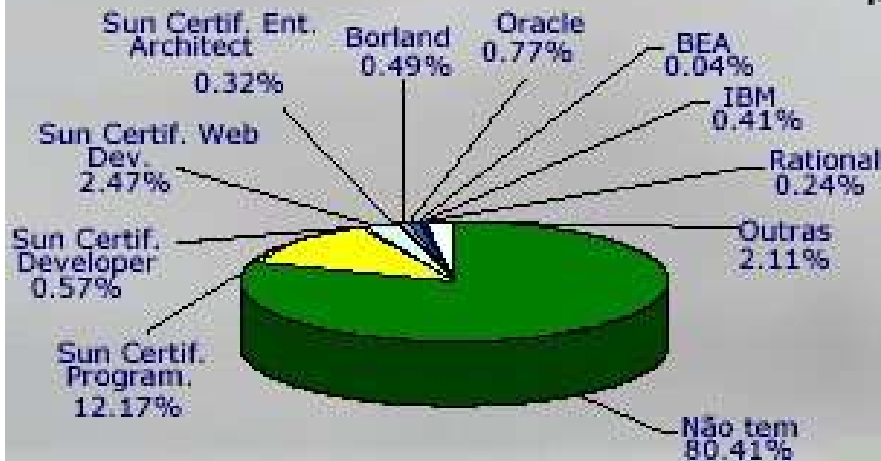

How many have received certification ?

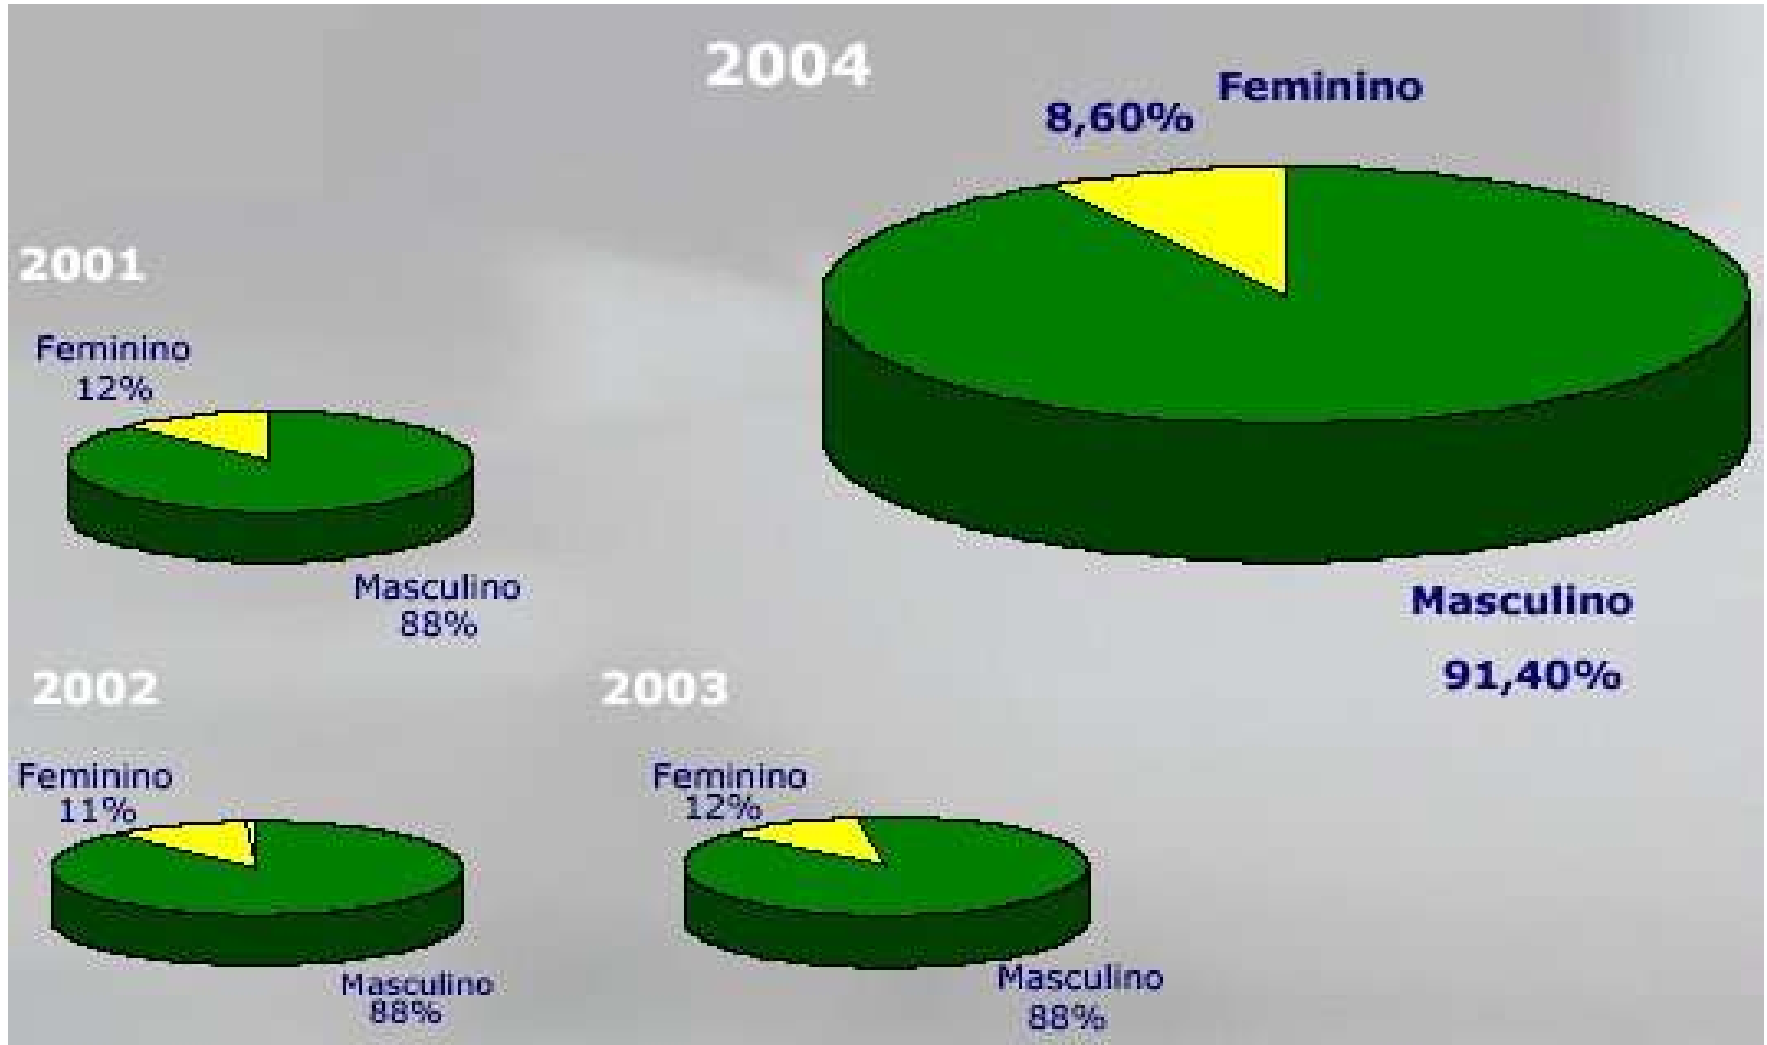

2004

2003

What is the developers gender ?

Java Forum

- It allows the exchange of experiences among the developers.
- 913 registered users
- Average of 117 messages per month
- Sponsored by www.grupos.com
- Bulletin board for news, virtual disk and Blog

Rybená – Historical Encounter

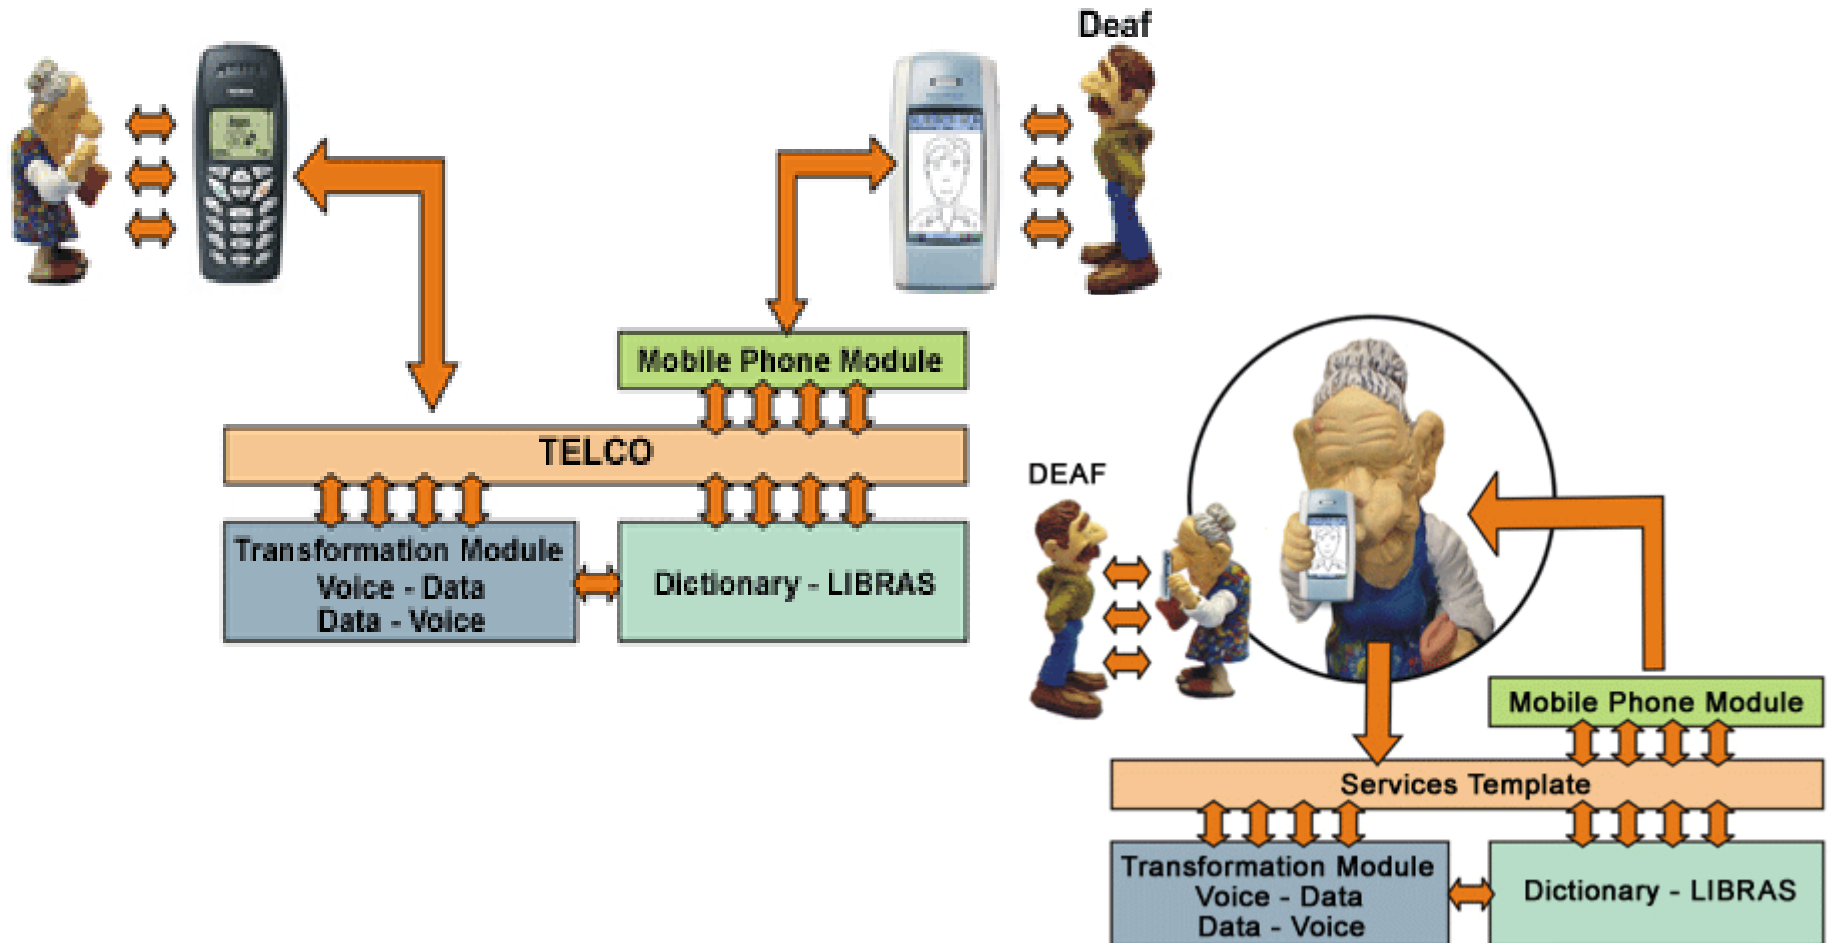

- Fernanda Yuri Takatsuka - Blind

- Clésio da Cruz Alves - Deaf

Rybená – What is it ?

Rybená – Today is a reality
